### **3E - VACANCY PUBLICATION FORM**

TRAINEESHIP IN FAMILY CENTRE - Municipality of MACERATA - ITALY

**Number of available position:** 2

**Profile requested** (ISCO profile): 5311 Child Care Workers

**Job description:** The main role of trainee is to support assistants and educators at the “Centro per Famiglie”, a centre where institutions, associations and families residing in the Municipality of Macerata work together on projects and plans aimed at enhancing the everyday life of children but also at promoting positive parenting through mutual support, meetings and community development.

Trainees will be especially working on two different services offered by the centre:

“Giocare Insieme” (Let’s play together), a space devoted to families, especially those with pre-school age children (0-3 years old), where they are engaged in recreational activities which are beneficial for individual development and familiar relations.

“Centro Educativo” (Educational Centre), an educational service where trainees will support primary and secondary school children with their homework (especially English homework) and organize afterschool activities depending on their interests and in agreement with educators. Since there are children coming from all over the world, the center not only aims at increasing the autonomy of students improving their study skills and organization but also at fostering integration encouraging respect for each other’s different cultures and religions
